Frigidaire and Kenmore Smoothtop Electric Ranges Recalled Due to Fire Hazard

WASHINGTON, D.C. - The U.S. Consumer Product Safety Commission, in cooperation with the firm named below, today announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately unless otherwise instructed.

Name of Product: Certain Frigidaire and Kenmore Elite Smoothtop Electric Ranges

Units: About 200,000

Manufacturer: Frigidaire, a division of Electrolux Home Products Inc., of Augusta, Ga.

Hazard: Depending on the model, the surface heating elements can: 1) turn on spontaneously without being switched on; 2) fail to turn off after being switched off; or, 3) heat to different temperatures than selected. This poses a fire and burn hazard to consumers.

Incidents/Injuries: Frigidaire has received 126 reports of incidents, including four reports of minor burns and two reports of minor property damage.

Description: This recall involves Frigidaire, Frigidaire Gallery, Frigidaire Professional and Kenmore Elite smoothtop electric ranges with rotary knobs and digital displays. The following model and serial numbers are included in the recall:
